REQUEST FOR RECONSTRUCTION OF LOST FILEWRAPPER

Honorable Commissioner of Patents and Trademarks
Washington, D.C. 20231

Sir:

The above-identified application was filed on September 24, 1993, as a continuation under 37 C.F.R. §1.62 of application no. 07/625,668 filed December 13, 1990. After several requests for status went unanswered, we contacted the Applications Branch in November 1995 requesting that some action be taken on this case. We were informed that an official search would be conducted. We have now learned that the search has been conducted and was completed in December 1995 without success in locating the file.

In a telephone conference between the undersigned and Ms. Pat Brecht of the Certification Branch, Ms. Brecht requested that we resubmit all of the papers which have been filed in this case so that the file can be reconstructed and prosecution commenced.

Attached hereto please find a copy of the "Request Form for File Wrapper Continuing Application under 37 CFR 1.62" filed on September 24, 1993, and a copy of the Information Disclosure Statement and attachments filed on January 7, 1994. To complete

the record, also attached are copies of the Request for Status filed on July 28, 1994, and the Second Request for Status filed on July 7, 1995. We assume that you have the Request for Status filed on February 16, 1996. Stamped postcard receipts are also attached to each of these papers. While the papers are copies, they have been resigned with original signatures. Also attached is a copy of the Official Filing Receipt acknowledging receipt of the original application and the filing fee.

Please expedite reconstruction of this file.

Respectfully submitted,
